

EMERGENCY TOWN BOARD MEETING

**Saturday, July 12,
7:00 AM**

Supervisor's Office

to address the untimely structural failure of the current highway garage and review new information and a proposal from the Town engineers for a new garage. Time critical decisions must be made to ensure the project bid specifications can be submitted by the end of July to ensure completion of the project before winter.

By Order of the Town Supervisor,
Dixie Lee LeBlanc, Town Clerk Posted July 10, 2014
