SUPERVISOR’S REPORT

Revenue and Expenditure Reports were in Board’s Packets for review.

Matt Newby has been working with multiple IT companies to get quotes and figure out what the best option would be for the Town of Long Lake. Matt has narrowed it down to one company, this is the same company that the Town hopes to use for the new phone system. The quote will hopefully be presented at January’s meeting.

Supervisor Arsenault wished to acknowledge and thank Paul Wilson for all his hard work and his ability to go above and beyond in his short time working for the Town of Long Lake. Paul’s response to the accident at the Transfer Station has shown his extreme care, insight, and dedication to the safety of the Town employees and residents alike. Paul helped with the layouts and coordination of the safety fences at the Long Lake Transfer Station. Paul has worked many hours in implementing the new payroll system, and has helped employees to navigate through it as well. Supervisor Arsenault thanked Paul for all his hard work and dedication to the Town of Long Lake.

The “Little Bus” is starting to have major issues, the radiator and transmission lines are leaking and need to be replaced, this will be a costly or almost impossible to do in-house since this is a custom bus. The bus is a 2015 and has 50,000 miles on it, the undercarriage is rusted and in rough shape. Supervisor Arsenault emphasized that the Board should consider replacing the “Little Bus” possibly with a van that is not custom so repairs and maintenance are less costly.

The New York State DEC is planning an early closing date for the following campgrounds located within the Town of Long Lake; Browns Tract Pond, Forked Lake, Golden Beach, and Tioga Point, there are other campgrounds in the County that are on the early closing list. Supervisor Arsenault has emailed and called Region 5 Director, Jo Zalewski and has not received a response back yet. The County passed a resolution opposing the early closing of campgrounds, and Jim Tedisco from the 49th Senate District, Robert Smullen from the 118th

Assembly District and Mark Walczyk from the 116th Assembly District have all signed a letter and sent it to Basil Seggos, Commissioner of the DEC requesting a full restoration of the mid-October closing dates at campgrounds in Hamilton County.

Alex Roalsvig provided a Parks and Recreation report to the Board, a few highlights of the report are; the new snowmobile that was ordered in March 2022 is slated to arrive the 2nd week of January 2023.

NYS DEC has said there will be absolutely NO GROOMING on the 7th Lake Trail.

Alex provided a quote on a new groomer, since Chad's groomer is 14 years old and is needing more maintenance, the price quote came in at \$282,190 from Mohawk Industrial Werks/Pisten Bully.

Notice was given to the Town that they did not receive the EPF grant for the Mt. Sabattis area.

Supervisor Arsenault and Matt Newby had a preliminary meeting with Tom McCarthy from REV Renewables, REV is contracting with National Grid to build the battery backup in Raquette Lake. REV is working with the APA and the County to determine the most efficient way to run the lines with the least amount of permitting. REV and National Grid are working on a community communication plan.

Bonadio, the Town's accountants have completed and filed the 2021 AUD.

A letter of resignation from Hunter Larabee was included in the Board's packets, Hunter's last day with the Town Highway was December 17, 2022.

AGENDA

**APPROVAL OF THE MEMORANDUM OF UNDERSTANDING
BETWEEN THE TOWN OF LONG LAKE SUPERVISOR, TOWN OF
LONG LAKE HIGHWAY SUPERINTENDENT, AND TOWN OF LONG
LAKE WATER SUPERINTENDENT**

Purpose:

The purpose of this Memorandum of Understanding (MOU) is to specify the relationship between: 1) Town Supervisor, as the chief town officer responsible for all general fund and district funded operations for the Town of Long Lake;

2) Water Superintendent, who reports to the Town Supervisor but has operational and supervisory responsibilities with respect to both the Long Lake Water District #2, and Raquette Lake Water District #1;

3) Town Highway Superintendent, who is responsible for all Highway fund operations and the operations of the Town Highway Department; and,

4) Matthew Laplant, a Town of Long Lake employee who, pursuant to this MOU shall divide his work hours and be subject to a shared supervision structure as set forth in this MOU according the anticipated seasonal work requirements within the Town.

Preamble:

The Town currently employs Matt Laplant as a seasonal Highway Mechanical Equipment Operator (MEO) and Water Department Laborer. For the last two years he has worked enough time as a seasonal to be eligible for unemployment benefits when he is not on the payroll. Both the Town and Mr. Laplant would benefit from converting the employment arrangement from seasonal employee status to full-time employment status. Mr. Laplant's work services are required by both the Water Department and the Highway Department.

There is increasing need for more flexible arrangements with employees in the Town to better serve the taxpayers while being fair and equitable to the employees. Thus, this MOU represents a combined effort to move away from rigid seasonal employment arrangements. The Town has no known agreement practice to accomplish the stated objectives. However, the signatory parties have exchanged views and information and proposals in good faith which has resulted in this text of the MOU. The discussion included: wages, hours, and other terms and conditions of employment.

Article 1 Agreement

The provisions contained herein constitute a multi-lateral binding agreement by and between the Town Supervisor of the Town of Long Lake ("Town"), the Town Water Superintendent of the Town of Long Lake, the Town Highway Superintendent of the Town of Long Lake, and Matthew Laplant.

Article 2 Civil Service

The agreements set forth in the MOU shall in no way limit the protections of Civil Service Law, or of the policies set forth in the Town of Long Lake Employee Handbook (Handbook). Protections under Section 75 of the Civil Service Law will be administered as detailed below. Nor does the MOU establish any rights for the employee beyond those already established under law or the Town Employee Handbook (Handbook) (and established Town Board policies applicable to all employees).

Article 3 Terms of Agreement

3.1 Mr. Laplant shall commence employment with the Town as a Water Department Trainee, Grade 5, Step 5 in 2022. Provided other terms of this MOU are operative, Mr. Laplant shall be advanced by the Town to a grade of step 6 effective January 1, 2023. Effective upon the approval of the Town Board, Mr. Laplant shall be deemed a full-time employee, and thus eligible for all benefits offered by the Town to its full-time employees as outlined in the Handbook.

3.2 Furthermore, as the holder of a Class A CDL, Mr. Laplant is eligible for six months of the \$0.75 cents an hour stipend as established by the Town Board in the 2023 Final Budget. This stipend will be paid for six months, or \$780 for 1040 hours, for both his actual and potential service to the highway department for use of his CDL license.

3.3 Mr. Laplant will work under the job description of Water Department Trainee. He is required to obtain and maintain certification, and additional education, to move toward becoming a Fully Certified Water Plant Operator.

3.4 Mr. Laplant will be hired as a Water Department Employee. He will work under the supervision of the Water Superintendent and the Town Supervisor between the dates **April 1 – November 30**. He will work under the supervision of the Town Highway Superintendent from **December 1 – March 31**. The Town Highway Superintendent may request additional dates for Mr. Laplant to work for the Town Highway Department. If approved by the Town Water Superintendent and Town Supervisor, Mr. Laplant will be required to work these additional dates for the Town Highway Department. Mr. Laplant will be compensated at the same rate for the entire year.

3.5 The Water Department Superintendent and Town Highway Superintendent shall be responsible monitoring and ensuring that authorized overtime hours are limited to the budgeted amounts for Fiscal Year 2023. Under the budget Mr. Laplant shall be allotted up to 45 overtime hours for service to the Town Highway Department; up to 10.5 overtime hours for Raquette Lake Water District #1; and up to 94.5 overtime hours for Long Lake Water District #1. Both the Water Superintendent and Highway Superintendent may require Mr. Laplant to work the scheduled paid holidays during the year for their respective programmatic areas. Compensation shall be according to the Town Policy.

3.6 Mr. Laplant is deemed to be subject to NYS Civil Service Law. Disciplinary and other employer actions for Mr. Laplant is governed by the provisions of sections 75, 75-b, 76, and 77 of the Civil Service Law are to be administered by the Town Supervisor as advised by the Water Superintendent, Town Highway Superintendent, and Town Attorney.

3.7 It is acknowledged that the Town Board has the authority to eliminate this job position at any time, at its sole discretion. The Town Board also has the authority, in its discretion to set and modify budgeted overtime hours for this position.

3.8 If at any time a party of this MOU finds this MOU, work performance, work conditions and work terms untenable then the dispute resolution procedure shall first include the notification to the Town Supervisor of a dispute. There upon the Town Supervisor shall attempt to mediate and resolve dispute. If resolution is not then reached, all parties agree to seek final accord under the review of the Town Board. This provision does not purport to in any way circumscribe the employee's civil rights, including any whistle blower rights under law

Article 4 Understanding of Agreement

The terms and conditions set forth in this MOU represent the full and complete understanding between the parties hereto. The terms and conditions may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in a written amendment executed according to the provisions of the MOU.

Article 5 Modification

Except as otherwise provided herein, no changes or modifications shall be effective for the duration of this MOU unless such modification shall be made by mutual consent in writing.

Article 6 Term

This MOU shall have a one-year term: December 1, 2022, to December 31, 2023. It may be renewed annually thereafter in writing subject to Town Board budgetary authorization.

Article 7 Effective Date

Upon execution, this MOU shall be submitted to the Town Board. It shall not be deemed Effective until it is ratified by Town Board Resolution.

Motion by Clay Arsenault, seconded by Thomas Donnelly to approve the MOU between the Town Supervisor, Highway Superintendent, and Water Superintendent.

Discussion:

Thomas Donnelly asked why the employee was only able to receive 6 months of the Class A CDL stipend and not the full 12 months.

Supervisor Arsenault replied that the stipend is only for highway employees right now and since the employee is only working for the highway a few months out of the year he is only eligible to receive a partial stipend. He also commented that his office is working on a draft to change the stipend criteria so other departments who utilizes their class A or B CDL for the Town will receive a stipend.
