Comprehensive Plan Public Presentation

October 22, 2020 6pm

Virtual Meeting Via Zoom

After a year of work, the Town is in position to begin the final steps of adopting the Comprehensive Plan. Please see the following link to the final draft of the Comprehensive Plan

This information and link to the plan is now available for public viewing and on <https://mylonglake.com/comprehensiveplan>

This will be an opportunity for both the members the general public to get an overview of the plan, how it was prepared, what it contains, and how it can be used. Chazen will be able to answer questions from residents about the plan at this virtual meeting.

The Long Lake Town Board will now take the lead in the adoption of the plan as we move forward after the public presentation.

Project Update Posted 1/8/2020

The Town of Long Lake (including the Hamlet of Raquette Lake) is continuing work on the Comprehensive Plan. The planning process began in late 2019 when a resident Comprehensive Plan Committee was convened. The initial stages of the planning process have included working with consultants from Chazen to identify big picture topics of interest and concern, site visits

throughout the community, the drafting of an “Inventory and Analysis, and the development of a public engagement strategy.

We Want Your Input

Now, in 2020, the Comprehensive Plan Committee is reaching out to as many members of the community as possible to gather input and get ideas about the current and future state of the Town. The Committee has developed a survey to be taken by community members (linked on this page) please take the survey and share it with your friends and family- the more public input we receive, the better the plan will be.

Spreading the Word

To spread the word about the planning process and to gather input from the community, members of the Comprehensive Plan Committee and planning consultants will be at the Long Lake and Raquette Lake Winter Carnivals. Additionally, the Comprehensive Plan Committee is organizing stakeholder interviews and focus group sessions to delve into important community topics.

Project Materials

Please take a look at the newly posted Inventory and Analysis and Community Maps.

Comprehensive Plan Announcement

The Town of Long Lake has begun work on a Comprehensive Plan, a community driven plan that will articulate residents’ vision for the future and serve as the Town’s official policy document. This plan is funded in part through an Empire State Development grant awarded to the Town of Long Lake in 2019 through the North Country Regional Economic Development Council.

The plan, which will be developed over the course of the next year, will provide an organizing framework to address issues including, but not limited to, economic growth, infrastructure, housing, transportation, environmental resources, recreation and quality of life.

Once completed, the Comprehensive Plan will be adopted by the Town Board and will help guide policy decisions and provide an invaluable tool for securing state grant funding to implement the projects and programs identified in the plan.

A Comprehensive Plan Committee will lead the process with assistance from planners with the Chazen Companies. The Committee consists of representatives from full and part time residents, business owners, elected officials, and town staff. Meaningful public engagement is crucial to the development of the plan and residents are encouraged to attend public meetings, participate in workshops and contact members of the Comprehensive Plan Committee and the Chazen Companies. Such public outreach events will be publicized in on the Town website www.mylonglake.com/comprehensiveplan and social media outlets including [Facebook.com/mylonglake](https://www.facebook.com/mylonglake) and [facebook.com/raquettelake](https://www.facebook.com/raquettelake),

Residents interested in receiving updates on the Comprehensive Plan should visit the Comprehensive Plan page on the mylonglake.com website as well as submit their email address to longlake@mylonglake.com

If residents have any questions, comments or ideas please feel free to reach out to Paul Cummings, Senior Planner at the Chazen Companies (email pcummings@chazencompanies.com or phone: 518-824-1932)

Info posted 9/18/19
